A Celebration in Honor of You

The American Cancer Society is proud to sponsor your birthday. Join us!

The Relay For Life movement is a unique fundraising event that unites our community to help finish the fight against cancer. Cancer survivors and their caregivers are an important part of the celebration and the reason why we continue to participate in our local Relay For Life event year after year.

Please join together with Cancer Survivors, Caregivers, students, and others from your community as we celebrate at the Relay For Life of Hartford-Slinger
