Dear Supporter:

On behalf of the American Cancer Society, we are asking for you and/or your organization to support the local community efforts of Central Florida to eliminate cancer as a major health problem.

The American Cancer Society strives to empower the local community to unite and fight this battle together and we have seen great strides and progress in not only the participation of individuals, families, schools, and civic groups, but also with our local businesses. We are so appreciative of our local businesses and their willingness to participate in community-wide events.

We are requesting an in-kind donation to be used to raise funds for the Relay For Life of Dr. Phillips to be held April 1, 2017 at Dr. Phillips High School.

The American Cancer Society is classified as a 501c3 organization and your donation will be tax-deductible – our Federal ID is 13-1788491.

Thank you so much for your consideration and for joining us in the fight against cancer.

Sincerely,

Fernando Carrasquillo
