Help us PAINT THE TOWN PURPLE in honor of Relay For Life's 30th Anniversary!!

Help us **"Paint the Town Purple"** in celebration of the Relay For Life's 30th Anniversary! Relay For Life of Shelby County will be painting the windows of local businesses the week of July 6th and July 13th. Join us as we transform the city to purple!

If you cannot have your windows painted, how about a purple ribbon or a Relay For Life yard sign instead? There are many ways to "paint" the town purple!
