Local Rocky River businesses donated money, merchandise, food and various other supplies and facilities to complete an effort that began back in January. So many people donated time and effort to plan and organize the event you see here today. Please thank these local businesses by giving them your patronage. Their generous spirit makes us proud to live in Rocky River.

Relay For Life is a life-changing event that gives everyone in communities across the globe a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease.

At Relay, teams of people camp out at a local high school, park, or fairground and take turns walking or running around a track or path. Because cancer never sleeps, Relays are overnight events up to 24 hours in length. Relayers do not have to walk all night, but each team is asked to have a representative on the track at all times during the event.

This event could not happen without the support of the Rocky River High School service learning class led by Kristin Kalinowski and the staff at Rocky River

High School. Their kind cooperation has enabled us to bring the community a unique and fun way to fight the battle against cancer.
