

LUMINARIA 101

1. If you or your family and friends purchase a luminaria online via the ACS website you do not have to submit any names. The names will be printed and placed on the track the night of Relay.
2. If you choose to take a bag and decorate it yourself- you can bring decorated bags to team captain meetings or bring them the night of Relay to the luminaria table to be placed on the track.
3. If you have sold a luminaria and you need the names to be printed out and placed on a bag you will need to email the name(s) The very best way to get luminaria names to us is via e-mail. It is faster and we are less likely to make mistakes on spelling from hand written inputs. (Of course if you do not have e-mail capability we will certainly accept hand written luminaria inputs – just please print the name(s) very clearly and submit them at team captain meetings.) The person and e-mail address to send names to is:

Carrie Bagnell

clbagnell@cox.net

We will acknowledge receipt of all names that are sent to us via e-mail.

Typing up the luminaries is very time consuming and we want to insure that the names are spelled correctly. Plus we don't want to miss anyone- so please when you send them in, divide them into groups. This really helps the person typing them.

In Honor of

Judy Doe

In Memory of

Joe Doe

Jack Doe

Thank You.

John Doe

Jackie Doe

All we need is whose name goes on the luminaria – NOT who bought or sold them, what team this is or anything of this nature. Team captains turn in that information in at meetings.

The deadline to purchase Luminaria via the website or to submit names via email is Thursday, June 5th @ 10 p.m.

If you have names to submit after Thursday, June 5th, bring the names to the luminaria table the night of Relay and the luminaria will be made and placed on the track for you. Luminaria will be available for sale the night of Relay. Luminaria are \$10 each and count towards team and personal goals! Thank you!
