Welcome to the American Cancer Society’s
2015 Relay for Life of Burke County
“Hunting Down A Cure”

On behalf of the Relay Planning Committee, the American Cancer Society, our Team Captains, Corporate Sponsors and Survivors, we welcome you to the 2015 American Cancer Society Relay For Life of Burke County. A very special thanks to Burke County Academy for Success for hosting our event this year.

This year’s Relay For Life of Burke County theme is, “Hunting Down A Cure”. We love having our youth so involved from year to year and the theme was chosen in hopes of spreading their excitement for the future!

Relay For Life offers hope that those lost to cancer will never be forgotten, that those who face cancer everyday will be supported and win their fight, and that one day cancer will be eliminated. We ARE making progress!

Thank you for your support and involvement – we are a community that takes up the fight! We hope that you will have a great time and gain a renewed commitment to the American Cancer Society and the fight against cancer.

Thank You Burke County!!!
