The more the better! We encourage each team to have at least 10 members.

Most clubs and Residence Halls have to follow specific procedures when dealing with money. Talk with your club director. You can also give it to one of your Event Leads or to our American Cancer Society staff partner.

*Checks can be sent to the American Cancer Society's Manhattan office: 132 West 32nd Street, New York, New York 10001. Yes, but they must be registered online prior to the event in order to attend.
