

## **2017 Relay For Life of Warren Pa Team Incentives**

### **October 2016**

Our first incentive is picking your campsite theme. When the websites go live the first team to sign up will have first pick on your campsite theme. Our theme this year is “Around the World.” We would like only one country, planet, etc... used. The second team sign up will then pick the second theme. The catch is you **MUST** attend a monthly Relay meeting to sign up your theme. You **CANNOT** have another team sign up your theme. **ANY** member of your team can be present to sign you up.

If you sign up and do not attend a meeting, your spot will be passed and will be put in line for the next month. That being said, if you have your heart set on a specific theme, make sure you attend Relay meetings.

You ask how will we know who signs up first? Marie is able to get in behind the scenes of the websites and see who signs up in what order as the registrations are date and time stamped.

### **This is how it would look:**

Team A signs up first. They attend the first Relay meeting in November (probably the first meeting after sites go live). Team A gets to pick the first campsite theme.

Team B signs up second. They do not attend the first Relay meeting after site goes live. They are passed for signing up and that spot goes to Team C. Team B is then given the opportunity so have the next first pick at the following Relay meeting (we will use December in this example).

This goes on until each team signs up for a theme.

If you have questions, the easiest way to get answers is to sign up and attend meetings.

Other incentives will come as we get going.
