

Luminaria Purchase & Donation Form

Luminaria

At dusk, around 9:30 pm, we will begin the Luminaria Service, one of the most moving ceremonies of Relay. The UGA Intramural Fields will be lined with luminaria that are lit in honor and in memory of loved ones who have battled cancer or are currently battling cancer. If you would like to pay tribute to someone and join the fight please fill out the form below and turn it in with a donation of \$10 for each luminaria (only one name per bag please) or \$50 for a torch that will be lit throughout the night, dedicated to your loved one with a personalized nameplate.

Please light a luminaria or torch in memory of or in honor of a loved one or friend.

Donations

All contributions are tax deductible, and can be made online or by mail. Contributions can be made securely online by visiting our website at UGARelay.org and select the orange "Donate" button and search for my name. Checks can be made out to the American Cancer Society, and sent in using the attached form and envelope.

Is there another way you would like to help us save lives? You can make additional donations that can allow us to help cancer patients in ways such as those listed below; please CIRCLE all extra donations you would like to make!

\$35

helps our cancer information specialists (available 24/7) give free information & support for two people facing cancer

\$50

helps provide four rides to or from treatment for a cancer patient using our Road to Recovery program

\$85

helps give one night of free lodging at the Hope Lodge to a cancer patient & their caregiver when they have to travel away from home for treatment

\$100

helps connect 100 people to our clinical trials matching service, which currently lists 6,000 ongoing studies

\$250

can help 10 guide women facing breast cancer through their journey through our Reach to Recovery program

\$500

helps begin the support needed for an early career researcher turning to the American Cancer Society to investigate cancer, its causes, or how to help patients cope with the effects of the disease and its treatment
