

Relay For Life of Tacoma Team Challenges

Team Challenges are a fun way to motivate each other to recruit more team members and Survivors; involve small businesses through track sign sponsorship; light our track with Luminaria; and encourage every Relayer to become a member of the HOPE Club by raising \$100 or more.

Full challenge details are available at challenges.tacomarelay.org

Power Up Team Challenge

There's power in numbers. Power in the number of Relayers circling the track; power in the number of Survivors celebrating their victory over cancer; power in the Luminaria lighting our track in honor and remembrance of those lives touched by cancer; power in the sponsors who support our event; power in the Relayers raising the funds that will END Cancer; and for the winner of our Power Up Challenge, there will be Power in their Tent-site!

Details:

Your team members will have several opportunities to help your team earn entries, and a chance at an extra tent site with power!

- 1 entry - for every 5 team members registered online
- 1 entry - for every Survivor registered on your team
- 1 entry - for every 10 Luminaria sold - [Luminaria Tracking Sheet](#) Due April 13th
- 1 entry - for each \$100 [track sign sponsor](#)
- 1 entry - for every 5 team members who raise \$100

VIP Team Challenge

Imagine arriving at Relay to find your tent site set up and waiting. Also imagine getting to leave Relay 24 hours later without having to pack up and bring your tent home. Pretty sweet, huh?

Details:

Your team will receive 1 entry for every \$500 raised by 9:59PM, May 7th, offline donations must be received at the Tacoma ACS office by noon, Friday, May 5th. Limit 10 entries per team.

Prize:

The winning team will Relay in style from the comforts of our VIP Tent. This team will arrive to find a 10x20 tent set-up and decorated. They will also have power to charge their devices and comfy furniture to rest on between laps. At the end of their 24-hour stay, the winning team will collect their personal belongings and leave the tear down and clean up to us!
