

# Hope blooms in our hearts.

## Daffodil Days are coming the week of March 18, 2018!

Daffodil Days is an opportunity for everyone to join the American Cancer Society in saving lives, celebrating lives and leading the fight for a world without cancer. Dollars raised through Daffodil Days support groundbreaking research, patient services, and other lifesaving programs. Through the daffodil, the first flower of spring, this campaign brings a symbol of hope to cancer patients and those affected by the disease.

**For a \$10 donation, receive one bunch of daffodils as a thank you**

**For a \$15 donation, receive potted mini-daffodils as a thank you**

**For a \$25 donation, instead of receiving flowers, you can support the Gift of Hope program where volunteers deliver daffodils to local hospitals**

**To participate, simply collect donations from your friends, co-workers, teammates and place a group order by Wednesday, February 7, 2018. This is a firm deadline.**

**Daffodil Days orders will be available for pickup the week of March 18 – Details will follow. Deliveries can be made on orders over \$250 or by making arrangements with Jean Schieman.**
