

RELAY FOR LIFE

A – Z Fundraising Ideas

Ask: The easiest way to raise money is to ask your friends, classmates, teachers and anyone you know to make a donation to the American Cancer Society's Relay For Life event. Explain your commitment of 24 hours and why you are involved – maybe because of a loved one battling cancer.

Auctions: Many teams are putting together live or silent auctions. Teams can make a whole event out of it – work with an auctioneer who will donate his/her time and hold a live auction. Collectibles are hot! Auction off your professor- have the teacher, principal, or department head as your assistant for the day at school. One school's date auction raised \$5000!

Bake Sales: Hold a bake sale on campus or at a busy place near your campus. Or have a No-Bake sale where co-workers pay so they don't have to bake goodies.

Balloon Day: Sell a Relay balloon with a message attached for \$2 each. The students take orders in advance and then deliver the balloon messages at a later date.

Bank For a Year: Get everyone on your team to put in \$2 each week beginning the week after this year's RELAY. In 50 weeks each team member will have his or her \$100. Or try this – 50 cents every day, in 50 weeks you will have collected, from yourself, \$175 – add just two more friends giving you 50 cents each per day and you will now have a total of \$525 in 50 weeks. See how easy it is.

Bounce-a-thon: Elementary to high school students can take a collection envelope home to collect pledges for bouncing a basketball for half an hour. Each class in the school takes turns gathering in the school's front hall or gymnasium throughout the day to bounce their basketballs.

Bowl-a-thon: Students can hold bowl-a-thons, where they get pledges per pin they knock down.

Bowling Chance: \$1 gives you the chance to throw 2 balls (toy bowling set). If you strike your name is entered into a drawing 2 times. If you throw a spare with your second ball your name is entered into the drawing once. Team is to solicit a nice prize for the drawing. This one could be held on site as well.

Breakfast With: Put together a breakfast with Santa or the Easter bunny. Work with a local restaurant or your team can do it themselves at a hall or club. Have someone in costume and sell tickets and also have pictures taken. You could also use this as breakfast with the principal, school president or other high profile person. *For the sale of hot food or cold drinks, American Cancer Society sales tax procedures must to be followed.*

Brown Bag Lunch Day: Everyone brings in their own lunch and donates the money they would have spent to the Relay For Life fund.

Can and Bottle Drive: Set up at a central location and collect cans and bottles from pedestrians. Return for deposit to nearest redemption center.

Car Washes: This is another good idea for students, especially in the spring when everyone wants the mud off of their cars. Don't forget to have a tip jar at the end to collect extra donations.

Change: Spare some change for cancer research: In the Residence Hall, residents can drop off their change in the jars at the front of their respective residence hall. The residence hall with the most points wins a pizza party for its residents.

Dances for a Cure: Students can hold a dance at a local club or hall that many students frequent. Get a band or DJ to donate their services. Attendees donate money to your Relay as their entrance fee.

Day of Cleaning Raffle: Team members donate a suggested five hours to spring/fall house clean your home, apartment, or dorm with tickets selling for \$5 each.
