

ABC's of Fundraising

©2007, American Cancer Society, Inc. - No. 0000.00

Relay For Life participants seek donations rather than pledges from friends, family and associates. All fundraising is done prior to Relay For Life, eliminating the hassle of collecting pledges after the event. Set a goal. Each team member's minimum goal is \$100 plus registration fee. There are a ton of great fundraising ideas both for the individual and the team to help you meet your goals. Be creative, have fun and ask everyone you know or meet to help support your effort.

RELAY FOR LIFE ENCYCLOPEDIA OF FUNDRAISING TIPS

A

Art Sales – This one is perfect for a kids team. Have students produce great works of art and have a show. Parents and friends buy back their budding artists' masterpieces.

Ask everyone you meet – Even if you have sent out letters, be sure to carry a donation collection envelope with you so that when you talk to people about Relay, you can ask them to donate right then. Take the donation collection envelope with you to meetings. When you carry a donation collection envelope with you, indicate your own contribution at the top. Make sure the top few donations on form are significant. Other people are apt to follow suit; conversely, if you start with a \$2 contribution, others may follow suit with \$2. Don't prejudge whether people will give. Let them say no or ignore your letter rather than not ask.
