American Cancer Society's
Relay For Life Auction

Welcome

We are here tonight to raise as much money as possible for the American Cancer Society's research, education, advocacy and patient services. Are you aware that Michigan is going smoke free today, May 1, 2010!

Why should you bid? Because it's fun! And more importantly the American Cancer Society depends on it. We depend on you to continue to provide the programs and services in Berrien County, provide dollars to support the most up to date cancer research available, and to spread the word about what the American Cancer Society has to offer, including their 24-hour help at 1-800-ACS-2345 and www.cancer.org.

A special thanks to the many volunteers who have given so generously of their time, talent and energy in preparing for and assisting with our auction. It could not have been possible without you. We would also like to thank all the businesses and people who have donated products and services to make tonight possible. Please patronize them when you see them in the community.

Thank you,

Erica Momany, Auction Co-Chair
Jenny Poolé, Auction Co-Chair
Shellie Knoll, ACS Community Representative

Please join us on May 24, 2010 at the LMC Mendel Center Main Stage for a concert of Richie McDonald of Lonestar. All proceeds going to the American Cancer Society's Relay For Life. This is event is sponsored by Midwest Family Broadcasting, Dr. Paloyan, Corvette Central, Brunke Geiger, Schroeder Furniture. Tickets are \$20.00 each, please contact the radio stations to purchase tickets today!

ACS Services

When cancer affects you or someone you love, the American Cancer Society can help.

Cancer Research

Since 1946 the Society has invested \$3 billion in cancer research and has played a role in almost all the scientific milestones in cancer research including the bone marrow transplant, the Pap test, and drugs like Gleevec and Tamoxifen.

Cancer Education

By dialing 1.800.ACS.2345 or visiting www.cancer.org, you can receive answers to your questions about cancer and referrals to local resources.

Tell A Friend

Through Tell A Friend, volunteers reach out to the women in their lives to spread the lifesaving message of receiving regular mammograms.

I Can Cope

I can Cope is a free educational program providing information about cancer diagnosis and treatment to help participants cope with physical and emotional challenges.

Cancer Advocacy

The American Cancer Society works to make cancer a top priority for lawmakers at the federal, state, and local levels. Smoke-free communities, insurance coverage, protecting cancer survivors from discrimination, and access to health care are some of our most important concerns.

Reach to Recovery

Reach to Recovery matches women who have survived breast cancer with those who have been recently diagnosed, to offer information and support.

Look Good...Feel Better

Look Good...Feel Better workshops offer tips to make the most of one's personal appearance during cancer treatment.

Road to Recovery

Road to Recovery provides transportation to and from outpatient cancer treatment appointments.

Man to Man

Man to Man provides information and support for men affected by prostate cancer.

Cancer Survivors Network

Cancer Survivors Network was created by and for cancer survivors and their families, this "virtual" community offers unique opportunities and accessibility to survivors, caregivers, and all those touched by cancer. It is a welcoming, safe place for people to find hope and inspiration from others who have "been there". Services include radio talk show conversations and interviews, individual stories, personal Web pages, discussion forums, an Expression Gallery, and more—available online at www.cancer.org or by phone at 1.800.ACS.2345.

2010

American Cancer Society's
Relay For Life Auction

Auction Rules

Oral Auction Rules

1. The auction will begin at 7:45 PM, May 1, 2010, and continue without interruption until all items have been auctioned. Doors will open at 5:30PM in order to give you an opportunity to view the various items prior to bidding.
2. A signature or oral bid constitute a legal contract to buy. All sales are final and there will be no exchanges or refunds on items except where specified.
3. During the Oral Auction, bidders must hold up their bid numbers to signify their bid. The Auctioneer will determine the highest bid.
4. The Auctioneer reserves the right to withdraw from the auction any item for which bidding has not received satisfactory level. If any items have been designated as selling with a reserve, the auction chairperson and/or co-chair person shall have a right to bid on behalf of the auction committee.
5. Values set for items being auctioned are donors' estimates and are not guaranteed by the Relay For Life Auction for tax purposes or for general value.
6. All auction items must be removed by purchaser at their own expense either the night of the auction or from Lake Michigan College Mendel Center Grand Upton Hall on Sunday, May 2, 2010 from 7:00AM - 9:00AM, except where noted. If items are not removed per instructions above, a \$50 handling fee will be charged.
7. Relay For Life (American Cancer Society) makes no express or implied warranties on auction items other than those from the manufacturer which may be with your purchase.

Silent Auction Rules

1. All items in the Silent Auction have bid sheets affixed nearby. Persons desiring to bid must do so by printing their bid number and the bid amount on the bid sheet. Minimum beginning bids are listed.
2. Each increase in bid must equal or exceed the minimum stated on the bid sheet in order to constitute a valid bid.
3. Each new bid must be written on the next blank line available on the bid sheet.
4. The Silent Auction booths will be open for bidding at 5:30PM, Saturday, May 1, 2010 and will close at various intervals throughout the evening. Closing times are posted in the program and will be announced during the evening. The closing bid circled by the Relay For Life Auction Committee constitutes the winning bid.
5. In the event of a dispute, the Relay For Life Auction Co-Chairs shall request a closed bid between bidders. The highest bidder wins.
6. Rules No. 2, 5, 6, and 7 of the Oral Auction Rules shall apply.
7. Items should be removed that evening by exhibiting a receipt at the Silent Auction display booth before departure unless item is too large to be removed that night.
8. All items are sold as is. Please read description and certificate restrictions carefully. Donors are not obligated to make exchanges or substitutions.

Payment Options:

Cash
Check
Credit Card (Visa, MasterCard, Discover, and American Express)

We Accept All Major Credit Cards

Check Out Procedure:

Simply go to the cashier area for a printout of items purchased and then proceed to each booth to obtain your items.

Refund Policy:

All items are "as is" and may not be returned for exchange or refunds, unless stated in the description of the item. To attempt to return items, or exchange them for their retail value, only hurts the efforts of the Relay For Life (American Cancer Society) in procurement attempts for the next year.

Please Note: Under IRS Guidelines, we are obligated to inform you that the amount paid that exceeds the stated donor value is considered to be a charitable contribution (note number 5 under oral auction rules).

3 Pixel CO2 Laser Treatments For 1 Person

The Pixel CO2 Laser offers Pixel Perfect, an aesthetic procedure, utilizing fractional CO2 technology, that stimulates new collagen growth to improve the texture and tone of the skin. This laser procedure uses a special technique that reduces healing time from 30 days to usually 3 days or less. Because the healing time is reduced, there is also a lower risk of complications when compared to other lasers. In addition to these benefits, patients also choose the Pixel CO2 laser because it helps to clear sun damaged skin, smooth wrinkles, shrink the appearance of pores, fill in acne scars and blend uneven pigmentation. Noticeable results are often seen in as little as one treatment.
