

RELAY FOR LIFE OF DR. PHILLIPS

holiday
H I J I N K S APRIL 1st 2017

Relay for Life of Dr. Phillips is the American Cancer Society's signature fundraising event. With your help, we aren't fighting for one type of cancer -- we're fighting for every cancer in every community. Contributions are making a difference in Central Florida through the ACS programs: Research, Hope Lodge, Road to Recovery, Look Good . . . Feel Better and Reach to Recovery. The funds you raise truly make a difference in the fight against cancer -- just ask one of the nearly 14 million cancer survivors who will celebrate another birthday this year!

What happens at the Relay for Life of Dr. Phillips? The communities of Dr. Phillips, International Drive, Metrowest, and Millenia in Orlando, Florida come together to honor cancer survivors, remember loved ones lost and fight back against a disease that has already taken too much. Teams host campsites and take turns walking or running around a track at Dr. Phillips High School for 11 hours. Each team is asked to have at least one participant on the track at all times.
