

We're lighting the way to a cure!

Join your community in an overnight fight against cancer! The American Cancer Society's Relay For Life of LHS will be held from 6 p.m.- 6 a.m., on April 19, 2013, at LHS Track

Help support the goals of the American Cancer Society and honor a loved one by donating a luminaria. Luminaria are being offered now through April 19. On that date, at 9 pm, the luminaries will shine brightly in a special ceremony at dark, during the annual Relay For Life of LHS.

For a donation of your choice, you can dedicate a glowing tribute to someone who has been affected by cancer. Please join us to take part in that special ceremony to recognize these individuals.

Proceeds from the luminaria sales will benefit the Relay For Life of LHS and the American Cancer Society, which is dedicated to eliminating and preventing cancer and saving lives through research, education, advocacy, and service.

For more information about the Relay For Life or to find out how you can get involved, please call the American Cancer Society at 1-800-ACS-2345. To purchase a luminaria and help light the way to a cure, please complete the reverse side.

For more information about luminaria, please contact Mackenzie Miller at 972-832-4564.
