To Whom It May Concern,

Please allow the bearer of this letter to can outside of your business or store. 100% of the proceeds from their canning will go directly to Relay For Life of SLMGN (Skokie, Lincolnwood, Morton Grove, Niles).

We sincerely thank you for supporting Relay For Life of SLMGN, which will be held at Niles West High School on Friday, June 11, 2010 through Saturday, June 12, 2010. From 6pm to 6am, hundreds of Niles North and Niles West Students will come together for one common purpose: to raise money and awareness for American Cancer Society, a nonprofit organization that saves lives and creates more birthdays by helping you stay well, helping you get well, by finding cures, and by fighting back.

Relay For Life is completely run by students, both at Niles North and Niles West, requiring hundreds of hours of preparation and hard work. It also offers outstanding opportunities for students to make a significant difference in their community by raising awareness and funds to save lives from cancer. With students taking turns walking around the track for 12 hours, support from local organizations and companies is critical to help raise as much money as possible.
