

Carnival Cruising for Charity

It's a vacation that benefits everyone

Plus a Unique Fundraising Opportunity for Non-Profit Organizations

A Carnival cruise vacation is the perfect getaway for vacationers of every age and interest. You'll have the time of your lives, while supporting your favorite charity. What a combination! While aboard, guests enjoy superb meals, Vegas-style entertainment, a friendly casino, exciting activities and fascinating destinations.

"Fun Ship®" cruising makes fundraising easier

As leaders in the cruise industry for over 30 years, Carnival Cruise Lines has also been a major supporter of many non-profit organizations, locally and nationally. They understand the importance and challenges of fundraising. Carnival appreciates that your continued success depends on the hard work of dedicated people and the generosity of contributors. As a vital extension of their tradition of supporting charities, they have developed a program to enhance your fundraising efforts, which has been extremely successful for many, many charities nationwide. With this program, you'll be able to raise much-needed funds and at the same time give your supporters all the fun of a Carnival cruise vacation.

Carnival's Matching Fund Plan and how it works

With bookings of 8 staterooms, 16 guests or more, Carnival will match (donate) \$5 per guest, per day on your group's fundraising efforts: 3 day cruise, \$15 per guest; 4 day cruise, \$20 per guest; 7 day cruise, \$35 per guest, etc.

Example:

The cost of your 7 day cruise is \$577 for a Category 4E inside cabin. The charity marks up the cost of the cruise by \$65 (this is your participant's donation). You then promote the cruise to your group at a cost of \$642. Carnival will match up to \$35 per guest on a 7 day cruise for a combined \$100 contribution (\$65 from the markup and \$35 from Carnival's match). That's \$100 per guest, or \$200 per cabin! Sell 20 staterooms, earn \$4,000; sell 50 staterooms, earn \$10 000.

The great fares make it even more attractive and easy to see. The Category 4E above is just \$577 per person double occupancy; an Ocean View Category 6C is \$677; and a Balcony 8C is only \$857 per person. All fares are inclusive of all taxes and fees.*

In addition to matching funds, you can earn one free stateroom for every 15 staterooms sold. The dollar value of that stateroom will be based on the average value of staterooms sold (excluding miscellaneous charges). Using the 7 day example above, we would earn three free staterooms for every 50 booked. The dollar amount of those cabins can be contributed to your organization. Or we could raise additional funds through raffle ticket sales of "Fun Ship" cruises with these free staterooms being used by the winners

* These fares are based on select October & November sailings on the Carnival Conquest and are subject to change without notice.
