***AMERICAN CANCER SOCIETY'S
RELAY FOR LIFE AUCTION***

Welcome

You know, we would be remiss if we didn't acknowledge the difficult financial times that we all find ourselves in today – certainly, it presents new challenges to fundraising for worthy causes! Nonetheless, you need to know that now more than ever, people in this community need the American Cancer Society. They need ACS to help them navigate the many burdens of cancer when they find themselves without a job and health insurance and even getting a ride to treatment when gas prices render them without transportation. Remember over 900 people will be diagnosed with cancer this year in Berrien County – regardless of the economy. So, if our neighbors need the American Cancer Society, imagine how much the American Cancer Society needs us.

Today, we ask that you bid high and bid often! Why, because it's FUN! And more importantly the American Cancer Society depends on it. We depend on you to continue to provide the programs and services in Berrien County, provide dollars to support the most up to date cancer research available, and to spread the word about what the American Cancer Society has to offer, including their 24-hour help at 1-800-ACS-2345 and www.cancer.org. Because everyone in this room has been touched by cancer and because there is no finish line until we find a cure! Everyone wants to be in the winner's circle. Thank you for attending tonight's auction and please join us this summer at one or all three of the Relay For Life events in Berrien County.

A special thanks to the many volunteers who have given so generously of their time, talent and energy in preparing for and assisting with our auction. It could not have been possible without you.

Thank you,

Erica Momany, Auction Chair

Jenny Poole, Event Chair

Barb Doroh, Event Co-Chair

Shelli Knoll, ACS Community Representative

ACS Services

*When cancer affects you or someone you love,
the American Cancer Society can help.*

Cancer Research

Since 1946 the Society has invested \$3 billion in cancer research and has played a role in almost all the scientific milestones in cancer research including the bone marrow transplant, the Pap test, and drugs like Gleevec and Tamoxifen.

Cancer Education

By dialing 1.800.ACS.2345 or visiting www.cancer.org, you can receive answers to your questions about cancer and referrals to local resources.

Tell A Friend

Through Tell A Friend, volunteers reach out to the women in their lives to spread the lifesaving message of receiving regular mammograms.

I Can Cope

I can Cope is a free educational program providing information about cancer diagnosis and treatment to help participants cope with physical and emotional challenges.

Cancer Advocacy

The American Cancer Society works to make cancer a top priority for lawmakers at the federal, state, and local levels. Smoke-free communities, insurance coverage, protecting cancer survivors from discrimination, and access to health care are some of our most important concerns.

Reach to Recovery

Reach to Recovery matches women who have survived breast cancer with those who have been recently diagnosed, to offer information and support.

Look Good...Feel Better

Look Good...Feel Better workshops offer tips to make the most of one's personal appearance during cancer treatment.

Road to Recovery

Road to Recovery provides transportation to and from outpatient cancer treatment appointments.

Man to Man

Man to Man provides information and support for men affected by prostate cancer.

Cancer Survivors Network

Cancer Survivors Network was created by and for cancer survivors and their families, this "virtual" community offers unique opportunities and accessibility to survivors, caregivers, and all those touched by cancer. It is a welcoming, safe place for people to find hope and inspiration from others who have "been there". Services include radio talk show conversations and interviews, individual stories, personal Web pages, discussion forums, an Expression Gallery, and more—available online at www.cancer.org or by phone at 1.800.ACS.2345.

**AMERICAN CANCER SOCIETY'S
RELAY FOR LIFE AUCTION**

Auction Rules

Oral Auction Rules

1. The auction will begin at 8:00 PM, April 25 2009, and continue without interruption until all items have been auctioned. Doors will open at 5:30PM in order to give you an opportunity to view the various items prior to bidding.
2. A signature or oral bid constitute a legal contract to buy. All sales are final and there will be no exchanges or refunds on items except where specified.
3. During the Oral Auction, bidders must hold up their bid numbers to signify their bid. The Auctioneer will determine the highest bid.
4. The Auctioneer reserves the right to withdraw from the auction any item for which bidding has not received satisfactory level. If any items have been designated as selling with a reserve, the auction chairperson and/or co-chair person shall have a right to bid on behalf of the auction committee.
5. Values set for items being auctioned are donors' estimates and are not guaranteed by the Relay For Life Auction for tax purposes or for general value.
6. All auction items must be removed by purchaser at their own expense either the night of the auction or from Erica Momany's House 8275 Stevensville-Baroda Road, Baroda, MI 49101 on Sunday, April 26, 2009 from noon - 2:00PM, except where noted.
7. Relay For Life (American Cancer Society) makes no express or implied warranties on auction items other than those from the manufacturer which may be with your purchase.

Silent Auction Rules

1. All items in the Silent Auction have bid sheets affixed nearby. Persons desiring to bid must do so by printing their bid number and the bid amount on the bid sheet. Minimum beginning bids are listed.
2. Each increase in bid must equal or exceed the minimum stated on the bid sheet in order to constitute a valid bid.
3. Each new bid must be written on the next blank line available on the bid sheet.
4. The Silent Auction booths will be open for bidding at 5:30PM, Saturday, April 25, 2009 and will close at various intervals throughout the evening. Closing times are posted in the program and will be announced during the evening. The closing bid circled by the Relay For Life Auction Committee constitutes the winning bid.
5. In the event of a dispute, the Relay For Life Auction Co-Chairs shall request a closed bid between bidders. The highest bidder wins.
6. Rules No. 2, 5, 6, and 7 of the Oral Auction Rules shall apply.
7. Items should be removed that evening by exhibiting a receipt at the Silent Auction display booth before departure unless item is too large to be removed that night.
8. All items are sold as is. Please read description and certificate restrictions carefully. Donors are not obligated to make exchanges or substitutions.

Payment Options:

Cash

Check

Credit Card (Visa, MasterCard, Discover, and American Express)

We Accept All Major Credit Cards

Check Out Procedure:

Simply go to the cashier area for a printout of items purchased and then proceed to each booth to obtain your items.

Refund Policy:

All items are "as is" and may not be returned for exchange or refunds, unless stated in the description of the item. To attempt to return items, or exchange them for their retail value, only hurts the efforts of the Relay For Life (American Cancer Society) in procurement attempts for the next year.

Please Note: Under IRS Guidelines, we are obligated to inform you that the amount paid that exceeds the stated donor value is considered to be a charitable contribution (note number 5 under oral auction rules).

Original Flame Painting From "The Flame Series"

A local artist Dave DeRyke, from Paw Paw, Michigan created this painting through his passion for the American Cancer Society. It is a custom flame design that is part of the series called "The flame series", which play upon the idea that these bright and colorful flames "burn out cancer". They are entertaining to the eye and full of color.
