Light The Night With Luminaries In the Fight Against Cancer

At the American Cancer Society's
Relay For Life in 2017 in Gordon County

Hundreds of candles lighting the night at Relay For Life in Gordon County – each one a tribute to a Cancer patient. What an inspirational sight! Candles displaying the names of all those being Remembered and Honored will be lining the Northwest Georgia Regional Fairgrounds track at sunset the first weekend in May 2017.

This will be a most meaningful ceremony, and we would like to invite you to participate in this year's event by having a candle lit "In Memory" of a loved one lost to Cancer or "In Honor" of a Cancer Survivor. Starting the first weekend in May, teams from local businesses, organizations, churches and Medical groups will be "Relaying" around the track to help fight this dreadful disease.

Please join us in lighting the way to conquering Cancer!

Luminaria Torch of Hope option:

____ Torch of Hope
Minimum $50 Donation
(must be turned in no later than April 22, 2017)
