

Help Flush Out Cancer

This is a fun new fundraiser starting in the Lakeville community. Here's the deal: we place a purple toilet in someone's yard.

The recipient must pay \$10 to have the toilet removed from their yard. They can then pay an additional \$10 to choose the house it will go to next, and will then have the option to pay an additional \$10 to make sure the toilet doesn't end up in their yard again.

All proceeds go to the American Cancer Society's Relay For Life of Lakeville.

Do you know someone in the Lakeville area that you would like to send the porcelain princess to? Email Kate Hall at kate32@hotmail.com. For \$20 we will deliver the toilet to the front yard of anyone in the Lakeville Community. Together we can Flush Out Cancer!!!
