Team Carnival Game/Activity Registration

The Relay For Life of Western Berks is proud to once again host "Hope Carnival" as our on-site fundraiser. As always, teams are not required to participate in the on-site fundraiser, but we sure hope you will! In order to minimize the leg-work our teams need to do, the Committee has already done the research and has outlined it in this document. Teams wishing to participate in Hope Carnival should complete the last page of this form and return it at the March team captain meeting. Forms will be processed and game selections announced at the April meeting. Thanks for everything you do to make our Relay the best in Berks County!!!

Vendor Provided Game Choices (rental fee $5):

Games provided by Klopp Novelty Reading. Games will be picked up and delivered to Wilson HS field on the morning of June 8th by Lausch Moving. Teams must provide a table. List your top 3 choices on the last page.

"Do-it Yourself" Games/Activities:

All fees to create and transport the game to Wilson HS field are the responsibility of the team. In order to avoid duplication, please do not purchase supplies for your game until confirmation is provided by RFL of Western Berks Carnival Committee. Please note: electricity is not provided at your camp site and open flames are not permitted at Wilson HS field. You may use gas powered generators, however please ensure the noise generated is within an acceptable level so that you do not disturb nearby carnival games/activities or neighboring houses.

"Do-it Yourself" Food Ideas:

NOTE: All food tents will be located in a common area within the carnival tent sites. If you are serving perishable food, you MUST ensure food items are kept at proper serving temperatures!! If you are serving food that you prepare at your campsite you must wear gloves and change them often, but especially after handling money, spills, etc. Chlorox wipes must be used to keep serving areas clean. You must clean up spilled food ASAP to avoid attracting ants, bees, etc.

**Prize Tent**

Back by popular demand and to minimize the investment/risk surrounding the purchase of prizes for our teams, the RFL of Western Berks committee will be creating a "Prize Tent". By pooling our resources and purchasing in bulk, we will be able to offer the best possible prizes at the lowest possible cost.

Teams who wish to participate in the prize tent are requested to do the following:

- Issue tickets (in lieu of prizes) to the winners of their games.
- Work in the prize tent for a minimum of 2 hours (schedule will be created and you will have the opportunity at the May team captain meeting to sign up for the hours you want to work).
- Contribute a percentage of each dollar raised to cover cost of prizes in the Prize Tent. The MAXIMUM expected prize cost is twenty five cents/dollar raised. Therefore, for every dollar you raise, your team will bank at least seventy five cents! We will only charge the exact cost of prizes and that will be determined at the conclusion of the carnival. The accounting team will deduct the prize cost from the money that your game has banked throughout the carnival.
