

The 2009 Relay For Life of Lakeville

1000 LUMINARIA CHALLENGE

Our Goal in 2009 is to have **1000** Luminaria placed around the track to honor, remember and celebrate our loved ones.

When the sun goes down, 1000 luminaria light the way under the stars and a moment of silence falls during a moving ceremony of remembrance.

Luminaria are glowing bags that appear to be simply paper sacks filled with sand and candles, but every bag represents a life that battled cancer.

The luminaria ceremony is one of the most emotional moments at Relay. It is a time to remember those lost to cancer, support those fighting cancer, and rejoice with those who have fought and won.

9th Annual Relay For Life of Lakeville

With each Luminaria we are turning our sorrows into Celebration and converting our loss into Action. We have put faces and voices on this disease. We know we have made a difference, and we will continue to fight. Our goal is a cancer free world.
