When the sun goes down at every American Cancer Society Relay For Life event, hope shines the brightest. During the Luminaria Ceremony, hundreds of luminaria light the track to celebrate the lives of those who have battled cancer, remember those that have lost their battle, appreciate those that have shared the journey, and to fight back against a disease that has taken too much. Luminaria are candle lit bags that are labeled with your loved one's names, which can be personally decorated at the event if you so choose. This ceremony of light symbolizes the hope and perseverance with which we will all continue to fight.

You can give to the American Cancer Society and keep the flame of hope lit by ordering luminaria in **memory** of someone lost to cancer, in **honor** of someone still fighting or who has beaten cancer, or in **appreciation** of a caregiver. The hundreds of Luminaria light the way through the night to guide and remind everyone of why we participate in the Relay For Life of Herndon.

You can purchase luminaria to **remember, honor** or show **appreciation** for someone special. For a \$10 contribution you can provide a glowing tribute to a loved one or you may purchase 3 for a \$25.00 donation. Money raised goes toward cancer research, education, advocacy and support
