

American Cancer Society
Relay for Life of the Cottage Grove Area
July 11, 2008 6 p.m. - July 12, 2008 6 a.m.
Cottage Grove Jr. High Track

The organizing forces behind the Relay for Life of the Cottage Grove Area are in full swing, working toward the Relay, getting ready for the Big Event! The Committee Chairs and myself have met the past two months after our Kick off in January. We are excited, motivated and eager for this event, and are encouraged by your addition to "Our Team". Each one of you plays an important part, not only for the Relay from our communities, but for the success we will have in the fight against cancer.

The night of the Relay, we ask that you plan some type of team fund raising event for all participants and community members. We will help you with ideas, and what other teams have done at Relays! This makes for a fun and festive event. We would also like you to consider bringing a basket for the Silent Auction. We want to encourage you to help us with Silent Auction items, door prizes or any other need you feel the Relay might need.

Thank you for your excitement & enthusiasm!

Are you ready for Breakfast?

Please mark Saturday, May 31 for a grand event that will bring teams together at Applebee's to fund raise for our Relay.

Renee McCawley has graciously organized this early morning event that has us all working as a team fund raising for our Relay! We will ask each team to pre-sell these tickets and help work the event.

More information to come!
