Are you interested in raising money for your team by asking a local business to support you?

Natalie has already been going out asking businesses to sponsor our Relay, but if you have a special connection with a business and are wondering if we have contacted them, please email Natalie -- seims@prodigy.net. Also feel free to talk about Relay to a business that you frequently financially support! They may tell you that they would be excited to support our Relay. Please let Natalie know that you have their support, so we can share that with team captains & Relay chairs.

We would like to get many businesses to support Relay and show it with the Track Signs where they put their business logo on! A minimum donation for this is only \$150. Once businesses have donated, we will post their name & if a team sponsor, post that also on the web site. Watch for this!
