Aloha Relayers!

Welcome to our 2013 American Cancer Society Relay For Life of Magic Island. It is with distinct pleasure that we present to you “Under the BIG Top”, where each of the rings in this three-ring circus represents the three main points of this year’s National theme. Join us as we **Dream BIG** – That one day a cure to cancer will be found, **Hope BIG** – That one day cancer will be completely eliminated and **Relay BIG** – To honor the survivors and caregivers who are battling/have battled cancer and to remember those we have lost to this disease.

We are excited to share this magical evening with you, our 80 teams and over 1,000 participants and volunteers!

As we enjoy this evening’s festivities, let us not forget all that cancer has taken from us. Let us come together to remember those we’ve lost and to honor those who are fighting this battle. Let us join them in this fight so that future generations won’t have to.

It is our DREAM and HOPE that you find this year’s RELAY educational, fun and inspiring.

On behalf of your 2013 American Cancer Society Relay For Life of Magic Island Planning Committee, we thank you for being a part of our cause! As Margaret Mead once said, *“A small group of thoughtful people could change the world. Indeed, it’s the only thing that ever has.”* Your commitment to this cause is proof of that. It’s because of people like you the American Cancer Society is able to make a difference in the lives of those who have been touched by cancer. For that, we thank you!
