From the Committee...

Dear Fellow Relayers and Friends,

Welcome to the 19th annual Jackson Community Relay For Life. Whether you spend one hour or the entire 24 hours, we hope you walk away with a memorable experience.

This year marks the milestone of our first ever virtual program book. Thank you for your understanding and flexibility as we try this new endeavor.

This program pays tribute to our sponsors, teams, luminary recipients and especially all cancer survivors: for this is truly the reason we are all here. We hope by providing more funds for cancer research, advocating for early detection and prevention through education, and serving those in need we together will someday not need another Relay.

We invite you to look at the master schedule for all the events and activities that will take place here during the Relay. While you may not be on the track for the entire time, you will see a host of things to keep you entertained and informed.

As your Relay For Life Committee, we know this event has touched many lives in our community and our community CARES! We have more than 100 Relay Teams! Thank you for your support! We are so happy to have each and every one of you!

Have a great time and see you on the track!

Relay For Life is a life-changing event that brings together more than 3.5 million people every year to celebrate the lives of those who have battled cancer, remember loved ones lost, and empower individuals and communities to fight back against a disease that takes too much from too many.

# Luminaria

From afar, the sight of thousands of luminaria appear celestial. Each candle represents a loved one who has either lost the battle with cancer, conquered it, or is presently battling it.

**NOTE:** Luminaria names received after the publication deadline may not appear in this booklet but the luminaria candle will be displayed.
