

TEAM SPONSORSHIP FORM
Relay For Life of the White Bear Lake Area

The American Cancer Society Relay For Life of the White Bear Lake Area will be held on Friday, July 28-29, 2017. This Relay has raised over \$4.3 million during the past 22 years thanks to the support of our generous donors who have joined us in fighting this terrible disease through education, research, advocacy and services.

We invite you to join us as a team sponsor for our 23rd annual Relay For Life in White Bear Lake. Sponsorships are \$150 or more, and for that you will receive a plaque (or year sticker for your plaque if you have participated before), your name will be listed in our event program booklet and the team you are sponsoring will identify you at their campsite.

If you are interested in becoming an event sponsor donating \$500 or more, please contact Amy Sundberg at amy.sundberg@cancer.org or 651-255-8113 for a listing of additional sponsorship benefits.

Thank you for joining us in this worthy cause. Checks can be made payable to the American Cancer Society.
