American Cancer Society’s Relay For Life
Code of Conduct

The following guidelines are to ensure that everyone has a fun and safe Relay!
Place your initials next to each number to signify that you understand each guideline.

(Initial here)

______ 1. Relay For Life is a community event, sanctioned by the American Cancer Society. The purpose is to raise funds for the American Cancer Society, and to raise awareness of cancer-related issues in our community. It is not a school-sponsored event.

______ 2. Relay For Life is an 18-hour overnight event. You are not required to stay overnight.

______ 3. Relay For Life is a fundraising event. 95% of the money raised from Relay for Life events across the country goes directly to cancer aid programs, many in our own community.

______ 4. Relay For Life is a family event. Please remember to be respectful and sensitive to the variety of age groups and backgrounds of the people that attend this event. Also keep in mind that you are representing your school in the community, even though this is not a school-sponsored event.

______ 5. Relay For Life is a safe event. This is an alcohol- and tobacco-free event. If you are engaging in any conduct or activity that is dangerous or harmful to yourself or others, you will be asked to leave. Any teams whose members are all under the age of 18 must have an adult chaperone that is over the age of 21 and will spend the whole night to take responsibility of that team.
