

# Relay For Life in New Hampshire

Join your American Cancer Society at a Relay For Life near you

Relay For Life is an overnight event that joins communities in the fight against cancer. It is a way to celebrate cancer survivors, remember loved ones, and fight back against the disease that takes too much from too many.

Teams of friends, families, schools, businesses and organizations join together at a local track, taking turns walking overnight. Teams set-up camp-sites, enjoy entertainment, activities and special ceremonies throughout the Relay. Participating teams raise money for the American Cancer Society to fund lifesaving cancer research, education, advocacy and community services for cancer patients and their families.

Cancer survivors and caregivers are the guests of honor as each Relay For Life kicks off with special recognition to everyone who has faced a cancer diagnosis or helped someone with cancer. After nightfall, hundreds of candles dedicated to loved ones are lit in a Luminaria ceremony that keeps the track bright with a heartfelt reminder of how cancer touches us all. Each event will also have a Fight Back ceremony, to inspire action against cancer all year long.

Relay For Life represents our hope that those lost to cancer will never be forgotten, that those who face cancer will be supported, and that one day cancer will be eliminated.

Join us to see what Relay For Life is all about.

## 2009 New Hampshire Relay For Life Locations
