

SURVIVORS AND CAREGIVERS YOU'RE INVITED!

The American Cancer Society Relay For Life movement is the world's largest and most impactful fundraising event to end cancer. It unites communities across the globe to celebrate people who have battled cancer, remember loved ones lost, and take action to finish the fight once and for all. By walking around a track or path for up to 24 hours, individuals and teams raise money and awareness to help the American Cancer Society save lives. Dollars raised support groundbreaking cancer research, education and prevention efforts, and free information and critical services for cancer patients who need them.

Please join us. We want to celebrate you.

To kick off the event, a special lap is held to celebrate cancer survivors, followed by a lap in honor of caregivers. You and your caregiver are invited to join us for these laps and to stay for the rest of the event.

Visit relayforlife.org/MagicIslandHI to learn more and to get involved!

RELAY FOR LIFE OF MAGIC ISLAND

**"CELEBRATE YOUR SUPERHERO!"
SATURDAY, JULY 16, 2016
6PM TO MIDNIGHT
ALA MOANA BEACH PARK**

WWW.RELAYFORLIFE.ORG/MAGICISLANDHI

Having cancer is hard. Finding help shouldn't be.

From the time of diagnosis, through the course of treatment, and even after treatment is completed, individuals diagnosed with cancer and their caregivers have a wide range of needs. The American Cancer Society understands those needs and can offer information, day-to-day help, and emotional support to help you through every step of the cancer experience.

Transportation assistance

Our Road To Recovery® volunteers provide transportation to and from treatment for people with cancer who are too ill to drive or whose family members, friends, and neighbors are unable to provide transportation.

Lodging During Treatment

Facing cancer is hard. Having to travel away from home for treatment can make it even harder. At the 31 American Cancer Society Hope Lodge® facilities across the country, cancer patients and their families can find help and hope. The Society also offers discounted and – sometimes free – lodging through partnerships with hotels.

Finding Hope and Inspiration

The Cancer Survivors NetworkSM, a global online community, transcends geographic boundaries and builds bonds among cancer survivors and caregivers through shared experiences and feelings.

Help with Appearance-related Side Effects

Look Good Feel Better® individual and group sessions teach cancer patients techniques to help restore their appearance, improve their self-esteem, and help them approach their disease and treatment with greater confidence.

Breast Cancer Support

The Society's Reach To Recovery® program provides peer support, resource referrals, and up-to-date information to all those facing breast cancer, as well as their spouses, partners, children, friends, and other loved ones.

Mastectomy and Hair-loss Products

The "tlc" Tender Loving Care® catalog is a publication offered by the Society to women who are undergoing treatment for cancer, those experiencing hair loss as a result of cancer treatment, and those who have had breast surgery as a result of the disease.

YES, I am a survivor or caregiver and want to participate in my local Relay For Life event.

Name: _____

Address: _____

Phone: _____ Email: _____

If survivor, date of diagnosis: _____ Cancer type: _____

T-shirt sizes (for survivors): Small Medium Large X Large XX Large

I will attend the Relay For Life event in: _____

I am also interested in: Forming a fundraising team Serving on the Event Leadership Team
