

Cancer survivors have rainy days too, so let's fight through the rain!

Dear Relayers,

Cancer is just like our weather – it is unpredictable.

We thank you for all of the work you have done to raise money in support of this year's Relay For Life of 2016. Our greatest disappointment is that the weather did not give us a chance on Relay Day to celebrate our accomplishment of raising more money in fight against cancer. You can still make a difference in support of our mission by forwarding your donations to the American Cancer Society today!

Please follow these simple steps when submitting your funds:

- Gather the funds collected
- Complete the bottom of this page
 - Include your name, phone number, team name and amount being turned in
- Mail to the American Cancer Society by August 15th, 2016
- If you are still collecting funds, we encourage you to send in funds already collected and simply forward (include your name and team name please) the remaining money once received.
- Relay For Life T-shirts will be distributed to all qualified participants (raising \$100 or more) by their Team Captain. If you are a Team Captain (or an individual walker) please call the American Cancer Society to arrange delivery.

Thank you for taking the time and we look forward to walking with you next year!

Did you know that you can double your donations? Check and see if any of your donors are employed by companies that offer a Matching Gifts program! For a complete list of companies, visit
