RELAY UP ALL NIGHT CLUB

Do you Relay all night? Then you understand that Relay For Life runs overnight to symbolize a cancer patient’s experience: early evening is the diagnosis and start of treatment, later in the dark is the tough part of treatment and early morning symbolizes having survived and begun to move on.

While no one is required to stay overnight during Relay, we want to encourage and recognize those that do.

Benefits of being a part of the Up All Night Club:

1. Feel great about completing the mission of Relay For Life: raising money and spending time on the track with your teammates.
2. Be recognized for doing your part in the fight against cancer; we will honor your commitment on the Relay website and on Facebook and Twitter. Everyone should know about your dedication to Relay For Life.
3. Enjoy FREE breakfast at 3 am provided by the Knights of Columbus!
4. This year, you could win a really great prize for being at Relay For Life for 12 hours. This special prize will be announced Spring 2017.

How to be a part of the Up All Night Club:

Register as a participant for the 2017 Relay For Life of Sedgwick County. Only registered participants are eligible for the Up All Night grand prize.

Get a card from your Team Captain or from the Information Tent at Relay and have it stamped every hour from 8pm through 7am. Be sure to put your name and phone number on the card, in case you lose it! After getting your last stamp, make sure you’ve filled out the information on the card and turn it in at the Information Tent. We’ll draw from all the completed cards to select who wins the grand prize.

Have You Registered Yet for Relay?

With the new-and-improved Relay For Life website -- www.RelayForLife.org/SedgwickCoKs -- you can even register from your phone!

One click registration for returning teams -- Any returning team member can reclaim the team name, team fundraising history, and roster with just one click.

Friendly Competitions

SPIRIT STICK COMPETITION GUIDELINES

Our annual Spirit Stick competition will continue at Relay 2017. Teams wanting to participate should obtain some kind of stick (paint sticks from a hardware store work well) and decorate that stick however you see fit. Spirit sticks can reflect the theme of the event (Cancer is NOT a Game) or something about the team making the Spirit Stick.

Spirit Sticks will be judged at Relay and Team Captains (or a representative) should be prepared to take the microphone and give a brief description of their Spirit Stick.

TEAM BANNER COMPETITION GUIDELINES

Our annual Team Banner competition will continue at Relay 2017. Teams wanting to participate should design a banner to be carried during the Team Lap after the Opening Ceremony and displayed at the team’s campsite. Team Banners can reflect the theme of the event (Cancer is NOT a Game) or something about the team making the Team Banner.

Banners will be judged at Relay and Team Captains (or a representative) should be prepared to take the microphone and give a brief description of their banner.

Winners for both competitions will be announced at the closing ceremony.

How to get your fundraiser in the newsletter? Send your flyer to Jill Albers at jaalbers@usd268.org by the 15th of each month.
