

# SHARE EVENT PHOTOS FROM INSTAGRAM

Create an Instagram album of up to **10 photos and videos** to share on your event website!

-----|[Create an Album on Instagram](#)|-----

Click  to add your photos  
Click  to select up to 10 photos and/or videos to **Share**

-----|[Get Your Instagram Album URL](#)|-----

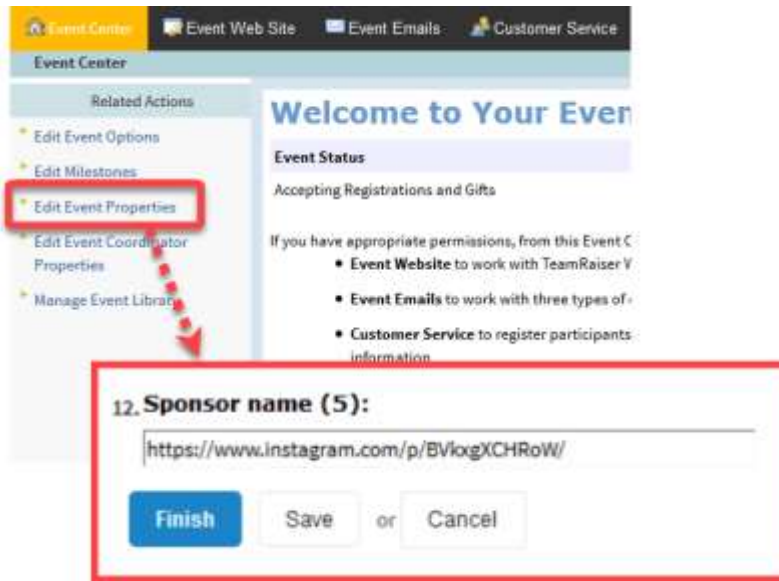

Click the 3 little dots  
in the corner to open  
**album** options

Select  
**Share** and/or  
**Copy Share URL**

You will need  
the album  
URL for the  
next step!

-----|Add Instagram Album URL to Your Event Properties|-----

Go to your EMC, click **Edit Event Properties** and scroll down to **Sponsor Line (5)**  
Replace the contents with the **URL** you just copied

-----|Save/Finish|-----

Click **Save/Finish**

Your Instagram album will appear in the Event Photos section of your greeting page!

Simply repeat the steps above to create a new album each time you want to add new event photos!
