

Relay For Life of Buckeye

SURVIVOR INVITATION

Please join us as our honorary guest in the Relay For Life of Buckeye. Your strength and courage help the community see that cancer survivorship is real – that we are making progress in the battle against cancer. The American Cancer Society Relay For Life is an overnight celebration of life dedicated to present and former cancer patients, their families and friends. Relay For Life raises money for the American Cancer Society while raising awareness that cancer can and will be beaten.

At the Relay For Life of Buckeye, we **want to honor you at the Opening Ceremonies, at 6:00pm, which will be followed by the survivor lap and a dinner/reception.** You are then welcome to stay, enjoy the Relay and participate in the activities. We will have a special caregiver lap recognizing them for the support that they have provided to their loved ones, which will be followed by a dinner reception. We will also have a heartfelt Luminaria Ceremony when hundreds of candles will light the track honoring those who have won, lost, or continue to fight their battle with cancer.

Our goal is to provide the opportunity to EVERY survivor to take part in the Relay For Life! Please fill out the following form to participate.
