

Fundraiser

As a 31 consultant, I have a great opportunity for you to earn money for your group..For those of you that don't know about 31, let me first tell you just a little bit about the company.

Thirty-One is more than just a company. They are people who believe in encouraging, celebrating and rewarding others for who they are. The name Thirty-One comes from the verses of Proverbs 31, which celebrate hard-working women who are compassionate, giving and inspirational to their families and the people around them.

The products are amazing and sell themselves! Their stylish, affordable products are exclusive to Thirty-One. From their signature purses, totes and accessories to eye-catching storage solutions that help organize your life, you'll find something to fit every personality and situation. There is something for everyone in your life!

Celebrate someone for their birthday, graduation, having a new baby, getting married, house warming, Mother's Day or just because you want to reward them in their life while doing the same for yourself.

There are a few different opportunities for your group to raise some money. The most popular fundraiser I do is 31 days of Thirty-One. This is when we sell off raffle tickets at a set price and a winner is drawn daily. Usually the group earns a \$800-\$1200 donation. Prizes vary from \$10-\$50 and come from our most current catalog. If raffle tickets aren't your style, I am more than happy to set up a group party or a catalog party. I will donate 50% of the commission earned from these parties to your group.

There really are so many different ways I can help your group raise money. I have attached a few draft documents for you to review. Please feel free to contact me anytime for other great ideas.

Thirty-one's products are of great quality, and they stand behind their product. They truly have something for everyone. If you aren't familiar with 31, or haven't seen the newest catalog, I encourage you to check out my website www.mythirtyone.com/KristinaEury and see what we are all about. Please don't hesitate to contact me with any questions!

Sincerely,

Kristina Eury
