

Listed below is a list of Track Sign Sponsors that graciously donated in the past years for Relay for Life. In order to have their sign placed at the RFL 2011 we would need to receive another donation of \$100 or \$125 depending on whether their sign has a torch or not.

Please email me at loiseric040905@adelphia.net or loiseric040905@roadrunner.com and indicate in your email which sponsors you would like to contact for renewal ASAP. It would not be professional to have several of us contacting the same sponsor/vendor so it is imperative that you let me know so I can remove the names from the list. Certainly if it was your team that received the initial donation then you will want to take ownership of it. You can find the Track Sign Form in the Event Form Section of our Relay Home Page.

If you have any questions – please feel free to email me or call me @ 747-7157.

Thanks.

Lois Melito
