*“Never doubt that
a small group of
thoughtful and
committed people
can change the
world”*

—Margaret Meade

Aloha Team Captains!

Relay for Life is right around the corner. Our relay’s fundraising goal this year is \$45,000, and we are counting on each of your teams to help us reach our goal! Let’s raise money, bring our community together, and most importantly have fun!

Fundraising Ideas to Consider:

1. **Silent Auction Basket**

Put together a basket for our silent auction! The best basket will win a prize! You could incorporate a theme (beach, gardening, sports, etc) Be as creative as you can!

2. **GroupRaise: www.groupraise.com**

Perfect for a large group outing to one of the restaurants offered on their website. 20-person minimum.

3. **Buffalo Wild Wing “Eat Wings. Raise Money”:**

<https://ewrf.buffalowildwings.com/>

This would be an effective fundraiser for larger teams that could plan a big night out to BWW and raise money while eating wings. Fill out the form on the attached link.

4. **CPK Fundraisers**

20% of the sales from a CPK night would go to your team, and if you work in a large office, it would be easy to pass out flyers and have large groups go out to dinner on a planned night.

5. **Zippy’s Tickets**

Good for smaller teams that have a lot of local family and friends who love to eat Zippy’s chili.

6. **Game Night Fundraisers**

Have a fundraiser at your house and invite friends and family over to play something like bingo. Charge a small fee or have people donate and learn about the cause.

DREAM BIG
HOPE BIG
RELAY BIG
Why not?
