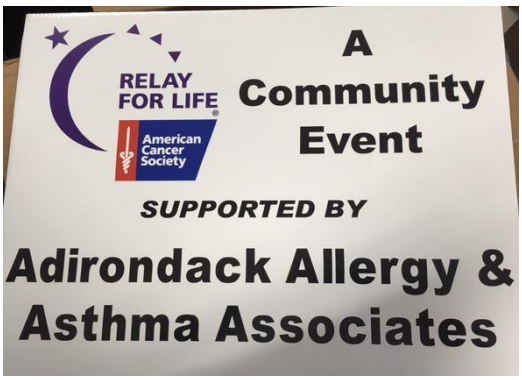
# Are you interested in fighting cancer in *Warren County*?

## *Then Sponsor A Track Sign!*

Not only does sponsoring a track sign show your business's support in the community—every time a walker circles the track they see the business sign with ***your name!*** We can customize the sign to include information about your business or you can sponsor a sign in honor of a special person touched by cancer. Best of all, the cost of your sign goes to help in the fight against cancer.



**Make an additional impact by being a Facebook business card partner!**

Donate $25 and we will scan your business card and add it to our business card sponsor album on the Relay For Life of Warren County Facebook page!

**Please complete the following:**

**Check One**: I would like to □ purchase a track sign ($100)
□ be a business card partner ($25)
□ both sign and business card partner ($125)
for the Relay For Life of Warren County on May 6th, 2017

**Check one:**
