

American Cancer Society B. Thomas Golisano Hope Lodge Hospitality House

Rochester, New York

Each year, the American Cancer Society B. Thomas Golisano Hope Lodge Hospitality House provides lodging to hundreds of cancer, trauma, and transplant patients for free or low cost, saving them thousands of dollars in transportation costs and hotel expenses.

We need your support to allow us to provide this life-enhancing service. By donating items from our wish list, you will help to make the Hope Lodge Hospitality House a true “home away from home” for our future guests.

To donate, contact the Lodge at: (585) 224-4936 or
Lorraine.Clements@cancer.org.

“The love and support that develops makes you realize that you come to the Lodge feeling like a stranger and leave feeling like a family.”

~ Lodge guest
