

Your Dollars At Work- What Your Gift Can Do:

Your dollars help us save more lives. Any amount you can give will help someone celebrate their next birthday. With your donation, we can find cures through research, help people get well and stay well, and fight back.

Programs and Services

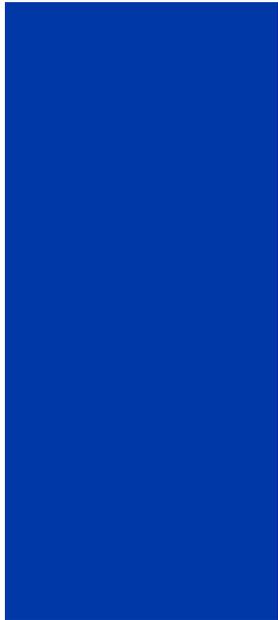

- \$5 - Can provide an hour of toll-free access to the National Cancer Information Center (NCIC), providing support and valuable information for a newly diagnosed cancer patient anywhere in the country.
- \$25 - Can provide an interpreter for a 10-minutes call to 1-800-227-2345 (NCIC) - providing priceless information for a patient newly diagnosed with cancer.
- \$75 - The cost of training and providing resources for the Reach to Recovery volunteer to visit and provide ACS resources to a woman just diagnosed with breast cancer.
- \$75 - Can provide a woman battling cancer with a complimentary bra or other personal care item from our tlc catalog.
- \$100 - Can provide a wig for a patient battling cancer to help boost morale.
- \$100 - The cost of training and providing resources for the Road to Recovery volunteer to make sure patients get to their treatment appointments.
- \$100 - Can provide a gas card to a patient to help them get to treatment appointments and relieve financial burden.
- \$150 - Can provide lodging to a patient to help them get to their treatment and ease financial burden of traveling to and from appointments.
- \$350 - Value of Look Good... Feel Better® consultation giving a cancer patient the opportunity to learn how to care for her changing skin during treatment; positively impacting her sense of well-being and self-esteem.
- \$2,500 - Pays for a 1-year college scholarship awarded to eligible young cancer survivors to help relieve the burden on families facing costly medical bills.

Research

- \$10 - Can provide a Petri dish for cancer research, essential to the live-saving work of scientific discovery.
- \$15 - Can provide 50 test tubes needed by scientists working on a cure for cancer.
- \$20 - The cost of dividing DNA taken from 5 of cases during the American Cancer Society Prevention Study III, helping researchers understand the genetics of cancer.
- \$30 - Can purchase a glass Erlenmeyer flask, which allow researchers to mix and/or store different substances, including potentially beneficial drugs, to discover their cancer-related effects.
- \$350 - Provides 1 Gel Box, which researchers use to isolate DNA and identify differences that may impact cancer diagnosis and treatment.

Advocacy - American Cancer Society Cancer Action Network (ACS CAN)

- \$10 - Pays for a one-year membership to ACS CAN, the non-partisan, nonprofit advocacy affiliate of the American Cancer Society. Members take action on legislative issues consistent with the Society's leadership role in cancer prevention, early detection, treatment, and survivorship.
- \$50 - Supports advocacy campaigns to increase funding for cancer research and smoke-free laws

We **save lives** and create more birthdays by helping you stay well, helping you get well, by finding cures, and by fighting back .
