RELAY FOR LIFE COUNTY * COBB CELEBRATE! May 11-12, 2012 Jim Miller Park 7pm-7am FIGHT BACK!

Presented by: WellStar

2012 Main Stage Entertainment

All-Star Entertainment is Georgia's largest provider of professional entertainers, games, theme décor and audio & video services. We are pleased to announce that they are, once again, generously providing all the entertainment on the main stage this year, and it promises to be the best year yet! The entire line-up of top-shelf performers have completely donated their time for your enjoyment this evening.

Showcasing once again this year is Georgia's favorite, local variety dance band, **Excite – The Party Band**! If you were here last year, you witnessed the amazing sound and energy level of these rockin' professionals! Get your dance shoes on and get ready to party.

We will also be blessed with Atlanta's own **DJ Prism** (**Vanessa Hundley**) to provide all the prerecorded music before and after the bands perform. Vanessa is a professional DJ with over 20 years of experience working with clubs, weddings, and corporate events.

Our host and emcee for the evening's main stage entertainment will, once again, be **Steve Weindorf**, award-winning event producer, author and President of **All-Star Entertainment**. This will be Steve's 9th year in a row hosting this event and coordinating all the entertainment. We are very excited and honored to have him back for another year!

For more information on these award-winning artists and many more, feel free to visit the All-Star Entertainment website at: All-Star-Entertainment.com or call them toll-free at **1-877-782-6200**. Also, please support them by visiting their Facebook page and expressing your comments on their wall.

212 in 2012!

Let's raise \$212 per person for the 2012 Relay for Life

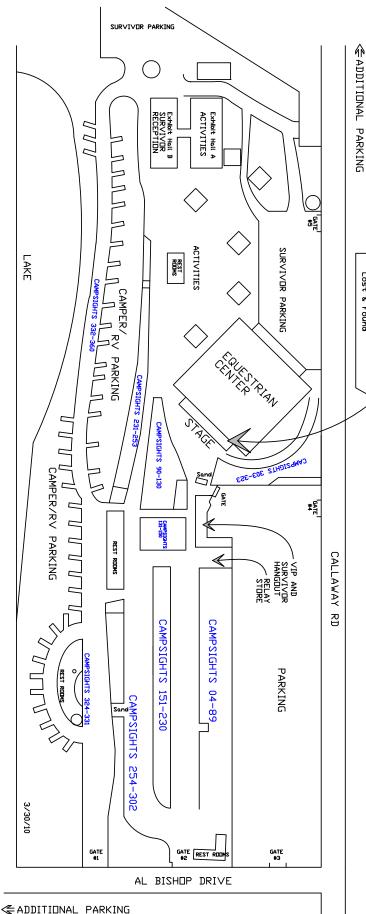

NEIGHBORS HELPING NEIGHBORS

As a community leader, Cobb EMC believes in giving back to the neighborhoods we serve.

By developing partnerships and initiatives with local organizations that share this core value, we're able to promote responsible corporate citizenship and help build a better quality of life for those around us.

These efforts exemplify our commitment to enriching the communities we proudly call home.

TORCH BEARERS

Cindy Baerman, an executive for an international company, has always freely sponsored someone or participated in Relay for Life. She served on the Board of the American Cancer Society when she lived in Illinois. It became personal when she was diagnosed with breast cancer. She continues her fight as Team Captain for the Graphic Packaging International Team.

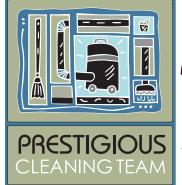

Sharlene Foster, a middle school art teacher, has battled breast cancer twice while continuing work and inspiring her students every day. Her dedication and determination are an inspiration to all at Palmer Middle School.

Robin Jefferson, described as person with huge love for people and an incredible faith in God. In 2010 she was diagnosed with ovarian cancer, quickly began treatments, continuing to be strengthened by her faith. She was tired, and her hair thinned and fell out, but Robin kept working with the children's ministry and kept smiling.

Michael Reid, after being faced with the adversity of a tumor on his Ocular Nerve and his subsequent loss of sight, the reality that his sight will not return, the long road of chemotherapy and radiation, and the need to learn to cope as a blind man to complete his high school requirements, Michael tackled the challenges head-on.

Shannan Smith, owner of a Barber Shop in Kennesaw, she has participated in Cobb's Relay since 2002. In 2011 after offering to donate a kidney to a friend in need, she discovered that she had melanoma. She and her future husband are starting a Melanoma Foundation and are giving up wedding gifts in favor of funding the foundation to help others.

We're looking out for you.

At Assurant, we believe in bringing a spirit of community to risk management. And as an industry leader in specialty risk management, looking out for others is what we do best. We work behind the scenes to help our clients manage risk and protect their customers' health, possessions and financial security.

Assurant has deep roots in diverse communities across the globe. Through participation in programs such as Relay for Life, we work to improve the lives of people in our communities.

Life is risky. None of us can manage it alone. That's what communities are for.

Outmaneuver cancer.

Navigating your cancer treatment can feel like a full-time job. That's why WellStar created the Nurse Navigator program.

From the start, your Nurse Navigator serves as your guide and liaison, working with WellStar oncologists, cancer surgeons, and other specialists to streamline your care and ease your mind. She can also connect your loved ones to resources throughout the community.

Your Nurse Navigator will manage coordination among your doctors, help you understand your treatment options, and simply listen to your concerns.

WellStar Nurse Navigators are available to all cancer patients and their families. To learn more about cancer treatment at WellStar, call 770-956-STAR (7827) or visit the new wellstar.org.
