JOIN THE *chocolate party*

With more than 165 years experience delighting people with fine chocolate, Lindt launched Lindt Chocolate RSVP in 2011 with the mission of sharing the ultimate chocolate party in homes across America.

What's it all about?

Lindt Chocolate RSVP combines three things people love—chocolate, socializing and shopping—and turns them into a great party and a delicious business opportunity.

Our Chocolate Advisors build their businesses by sharing the finest chocolate and gifts from Lindt. Since 1845, the Lindt Master Chocolatiers have been developing innovative recipes with meticulous craftsmanship, resulting in superior tasting premium chocolate. We call it “chocolate beyond compare.”

We hope you will join us as a Chocolate Advisor or Host a party of your own. We offer exceptional training and business support to all our Chocolate Advisors. Party Hosts love the free chocolate and discounts they receive.

TREAT YOURSELF - HOST A PARTY

Everyone loves chocolate! And everyone loves a chocolate party.

It's easy to host a party with Lindt Chocolate RSVP. Your Chocolate Advisor will help you plan your party and will provide a wide selection of Lindt chocolate samples so you can introduce your guests to the world of premium chocolate, experience a Lindt Five Senses Chocolate Tasting, and share a fun and social experience together.

HOST GETS THE MOST

As a party Host, your chocolate rewards increase with party sales. Here's a look at what a typical Host receives – more than \$90 in complimentary Lindt chocolate and even more delectable chocolate at half price!

- 1 Earn free chocolate and gifts based on your party sales. The higher the sales, the more chocolate you earn.
- 2 Earn up to three items at half-price.
- 3 Enjoy exclusive, Host-only specials.
