

Now Is the Time To Order Your Relay Meals!

Mountain Charlie is back and their BBQ is guaranteed to tickle your tongue and fuel you up to keep on Relaying! **Pre-order your meals ASAP** to ensure that you (and yours) are fed this Relay.

How To Order

Team Members: Let your team captain know ASAP what your order is and get them your \$16 per ticket funds. If your team captain says "order your own" follow the directions for Team Captains below.

Team Captains: Gather up your team's orders, fill out the order form (which you can download from [HERE](#)) and walk, run, mail or hand in your order form and \$16 per ticket funds (Make checks out to **Mountain Charlie 1850**) to:

American Cancer Society Relay For Life of Campbell
ATTN: Miranda Glassier, Meal Pre-Order
747 Camden Ave, Suite B, Campbell, CA 95008

All Pre Orders Must be in Miranda's hands by Close of Business Monday, July 11th. But I wouldn't wait! You can put in supplementary orders if need be. We will be having one last team captain meeting (still being determined) and you can turn them in then as well.

How Do I Get My Food at Relay?

Meal Ticket Pick Up: Meal tickets will be bundled by team and only one designated meal ticket picker-upper need to hike over to the Mountain Charlie cook area between 8-10AM Sat, July 16th. Then all the team's tickets can be distributed at the team campsite. **NOTE: after 10AM on Sat, July 16th, unpicked up meal tickets will be released back into the wild and your pre-paid amount will be used as a donation to the cause, so make sure you pick them ON TIME.**

your order form!](#)

Using your Meal Ticket

The first 45 minutes of every meal period will be reserved solo for you lucky relayers holding a pre-ordered ticket. The last hour or so of meal time, anyone can purchase their food (for cash at a higher cost*). So while you can still use your ticket after the first 45 minutes...you run the risk that that delicious tri-tip you wanted so badly being sold to that hungry visiting family from Sacramento.

Tickets Only Times*

Lunch 12 - 12:45 PM

Dinner 5 - 5:45 PM

Breakfast 7 - 7:45 AM

*Mountain Charlie hates waste. They can't reserve a whole bunch of delicious food the entire meal time and then have no one show up to eat it. It makes that big bad BBQ chef cry.
