

Butterfly Reflection Garden

Take some quiet time to reflect and take a plant or two home with you to begin a butterfly garden of your own. These plants are a great way to remember loved ones, honor those who are currently fighting cancer, and remember this year's Fairview Relay for Life. Plants are being provided by Gerlach's Garden Center. All proceeds go to the American Cancer Society.

All plants must be preordered before July 10, 2009. To place an order please complete the attached form.
