

The fight against cancer is still on!

Thank you for participating in Relay For Life!

Even now, after the Relay, you have the opportunity to carry on the fight. By continuing to send e-mails through your RFL Event's website after your Relay, you can help make an even greater difference in the fight against cancer. Here is a small sample what your donations can do:

- \$25 - Provide free 24-hour information and support via phone, email, and online chats for one person
- \$50 - Cover the cost of rides to and from treatment for a cancer patient through our Road To Recover program
- \$100 - Provide a cancer patient and their caregiver with a free night of lodging at an American Cancer Society Hope Lodge®
