

Torch of Hope Order Form

Minimum \$30.00 Donation

Black Diamond, Covington & Maple Valley

Relay for Life

May 21, 2016

Cedar Heights Middle school

The "Torches of Hope" will be lit at the Relay for Life during the Luminaria Ceremony. As everyone walks the track in silence during this ceremony, there is time to reflect on dedicating ourselves to finding a cure. The torches and luminaria symbolize the hope with which we all continue to fight. After the event, torches will be available to take home. Torch plates will include the American Cancer Society Logo and the name of the person it is honoring or remembering.

I would like a Torch of Hope lit at Relay for Life Black Diamond, Covington & Maple Valley
(Please Print)

In Memory of

In Honor of

Given By _____ Phone#

PLEASE NOTE: ONE NAME PER TORCH
